Ensor Takes Opening Dash With Red Tom

Night Raider Is Victor in Army and Navy Purse; Big Crowd Sees Sport

Special Correspondence of The Tribune BOWIE, Md., April 2.—Barring a track that was anything but fast, but The springlike weather brought out a banner crowd, and while the favorite players did not fare as well as they figured, everybody journeyed back to town satisfied with the days' sport.

The Inaugural Handicap, the feature of the card, resulted in an easy victory for L. T. Bauer's old gelding, Tippity Witchet, riden by Parrington. Captain Herschler, an outsider got second money and Bolster finished on the short end of the purse.

Ten high class horses went to the rost in this event, and nearly every starter had a following, with the majority favoring the winner. After a short delay at the post, Starter Miller ent them on their journey on an even line. Mythology, with Richcreek in the saddle, was the first to show in front after they settled down to running, with St. Isadore right at his saddle and Tippity Witchet, a short distance back.

Tippity Witchet Takes Lead

They ran in this order rounding they turn. Coming to the head of the stretch Mythology went a trifle wide, as did St. Isadore. Parrington, seeing a chance to get the rail, brought his mount over and slipped through as the leaders swung for home. When they straightened out, Tippity Witchet gradually drew up, and taking the lead half way down the stretch, won with plenty in reserve by a length and a half.

and a half.

Mythology and St. Isadore "chucked it" when it came to a drive and dropped back. Captain Herschler, who was always in a good position, came along and took the place by a length and a half from the fast-coming Bolster. The latter was in tight quarters coming around the turn, and did not get free running until straightened out for the sprint to the wire.

wire.

Buddy Ensor had the honor of winning the first race of the season when he brought Red Tom down in front in the opening race. Despite the fact that there was a strong tip on Buddy's and his price was as good as 232

Fourteen Face Starter

Fourteen very ordinary platers made up the field in the second race, a six and a half furlong dash for three-year-olds and upward. This resulted in a victory for that old compaigner Paul Connelly, paying \$25.80 in the mutuels. Cleverin handled by Richcreek, Paul and back of Amackassin to the last furlous, where he went to the front laid back of Amackassin to the last furlong, where he went to the front and ven in a hard drive by a scant half length. Amackassen best Crumpail a length and a half for the place. S. A. Clopton's Night Raider gathered in the money in the Army and Navy Purse, the third event on the card. Outrun to the final sixteenth, Night Raider responded gamely under a hard drive and won going away, almost two lengths in front of Trantula. The latter was four lengths in front of John's Umms.

Ine latter was four lengths in front of John's Umma.

The highly touted Jadda galloped off with the Fidelity Purse in the easiest sort of fashion. Butwell took the gelding to the front as soon as the gate went up and gave the rest of the field a rear view of the race right up to the end, winning in a gallop by three lengths. Manœuver was hard ridden all the way in an effort to wear down Jadda. He weakened at the end and had all he could do to save the place by a half length from King's Champion. The latter was slow to get in motion, but once straightened out in the stretch came down like a zunaway freight and would have been second in a few more strides.
